

Amazing Aura Glow

Our number one emollient and massage formula is a skin nourishing blend of peanut oil, olive oil, and liquefied lanolin advised in hundreds of readings. As a complexion beautifier in its own right, Aura Glow is the perfect solution for a host of skin care needs. This top quality moisturizer makes an ideal skin softener, bath addition, after shave lotion, baby oil, hair treatment, massage lubricant, and much more. Nine scents make Aura Glow even more likely to become your body's best all weather buddy. Check your catalog for available sizes and prices.

Almond

This premier Aura Glow fragrance has truly stood the test of time! After all these years original almond remains our most popular, with men as well as women. Its warm, nutty aroma blends in nicely, leaving you feeling uplifted and renewed.

Citrus

Not one but four tangy, uplifting citrus essential oils make this a natural for complexion care. Orange, grapefruit, lemon and lime combine smoothly and sweetly in this refreshing blend. Since some citrus oils are photosensitive, avoid sun exposure after use.

Coconut/Musk

This unusual summery blend is laid back and sensually appealing at the same time. You can even use it as a suntan lotion, as the addition of PABA provides a sun protection factor of 6. So relax, take in some rays, and increase your sense of safety.

Jasmine

For many, this strong, exotic, floral fragrance is a favorite perfume choice. Aromatherapists consider it strengthening to the reproductive and respiratory systems. Versatile jasmine is also used as a skin care aid and mood elevator.

Lavender

Pure essential oil lends a full spectrum of therapeutic possibilities to this Aura Glow classic. Soothing, old fashioned lavender is used to release tension, balance energy, speed healing, treat problem complexions, and much more. Some find it emotionally and spiritually uplifting.

New "Plumeria"

Experience the allure of a tropical garden with this delicately sweet, subtly musky fragrance. As the flower used to make Hawaiian leis, plumeria has enjoyed a long association with pleasure, relaxed ambiance and island charm.

Rose

Loving feelings reign supreme with this delightful floral fragrance that makes the "queen of the flowers" truly come alive. Calming rose expands the heart and enhances harmonious feelings. You'll find its delicate scent strengthening, hopeful and revitalizing.

Unscented

For those who prefer to avoid scents, or perhaps add their own, here is a simple solution. This natural oil blend has its own subtle aroma and is also considered hypoallergenic, so enjoy!

Vanilla Spice

This enduring favorite is an appealing choice for men and women alike. The vanilla is light and warming while the stimulating tang of cinnamon and other spices really makes the senses come alive.
